

COMMITTED TO TRANSGENDER EQUALITY!

Equality Florida's Transgender Inclusion Objectives:

ADVOCATE for comprehensive inclusion of the Transgender Community.

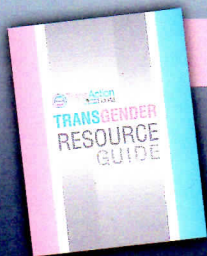

EDUCATE Florida's employers on effective Transgender policy and practice.

ENGAGE Florida's Transgender leaders to be a voice in achieving all rights and protections under the law.

To achieve these goals, we formed **TransAction Florida**, which consists of transgender advocates and community leaders from all parts of our state. Our goal is to ensure that transgender inclusion is woven into everything we do at Equality Florida.

While the transgender community has never been more visible, vocal and engaged, a great deal of work remains. The transgender community is one of our most vulnerable communities, still subject to marginalization, bullying, alarming rates of harassment, discrimination, violence and murder. All hardworking Floridians, including transgender people, should have the right to earn a living, provide for their families, and live a life of peaceful authenticity.
