Walgreens' new policy welcomes trans-women into women's restrooms

Thursday, February 8, 2018

Dear Supporter, **[Read: Ignorant Bigot!]**

In a shocking policy announcement, Walgreens has now directed its stores to allow men **[read: Trans-women]** full and unrestricted access to women's restrooms in all of its 8,100 stores.

On Nov. 17, 2017, Walgreens distributed a memo stating, "All individuals have a right to use restroom facilities that correspond to the individual's gender identity, regardless of the individual's sex assigned at birth." **[Hooray!]**

Since a similar public policy was announced by Target Stores, Inc. two years ago, dozens of women and children have been victimized by male predators inside Target stores. **[This is a flat out lie!!!!!!]**

Walgreens' new policy could potentially result in female customers becoming victims of voyeurism, sexual assault and physical attack. **[It has never happened!!!!!!]**
